“On behalf of Admark, I’d like to congratulate for the ‘Italian Journey’ 2004 event. The cause was noble and I think that the event was important to share the ‘Italian style’ within the Houston community. Regarding the ‘high end’ residential products we exhibited (polished marble, Versace ceramics, mosaics and Lavini stones), we were told that they were impressive and that nobody had seen them before, at least not here in Houston.”— **Fulvio G. Majorana, Vice President - Admark International Corporation**
